Re: South Carolina Electric & Gas Company and Dominion Energy,  
Incorporated Request for Allowable Ex Parte Briefing Regarding  
SCANA Corporation and Dominion Energy, Incorporated's Merger  
ND 2018-2-E

Dear Ms. Boyd:

On January 11, 2018, South Carolina Electric & Gas Company ("SCE&G") and Dominion Energy, Inc. ("Dominion") jointly participated in an Allowable Ex Parte Communication Briefing ("Briefing") before the Public Service Commission of South Carolina ("Commission"). During the Briefing, the Commission asked Dominion to identify the percentage amount of its electric production held by a Regional Transmission Organization ("RTO"). In response to the inquiry, Dominion Energy identified itself as a member of PJM and NEPOOL, both of which are RTOs, and stated that its North Carolina service territory is not included within an RTO. The purpose of this letter is to inform the Commission that Dominion's membership in PJM includes its North Carolina service territory.

If you have any questions or need any additional information, please do not hesitate to contact us.

Very truly yours,

K. Chad Burgess, Esquire  
Attorney for South Carolina Electric  
& Gas Company

Robert A. Muckenfuss, Esquire  
Attorney for Dominion Energy, Inc.
